

**CORPORATE RESOURCES  
OF ILLINOIS, LTD.**

**C.R. TEMPORARIES, INC.**

***“Suited for Hire”***

We are all well aware of our weakened economy; if it hasn't affected us personally, we know of a family it has. What we don't realize is the **total** effect it has on those that have lost their jobs. The immediate impact is the loss of pay, burdening families of needed income, but income now needed for things not thought of when we are gainfully employed. Corporate Resources looks forward to the day that we do not hear of a family in crisis, stories of desperation that are inconceivable..... yet somehow we find inspiration.

As we all struggle to admit, 1st impressions are important. Confidence and feeling good about your initial presentation on a job interview can be empowering. If applicants “feel good” about themselves they will interview more positively and improve their odds of securing a new position. Yet sadly more than a third of the unemployed workforce does not have a proper suit.

Corporate Resources is asking individuals who want to help to please open up their closet and see if there's a suit or two that you can donate in our “Suited for Hire” campaign. Suits will be given to those who don't have one, and can't afford the added expense of a purchase. We are also seeking sponsorships from businesses which can help fund the training of our unemployed workforce, training desperately needed to aid with resume overhauls, career coaching, mock interviews, etc. With a growing list of applicants in dire need of assistance, together we can make a difference.

*Speaking on behalf of the almost 9.4% unemployed, as well as **Ahern Investments**, who is donating space to house our donations, we thank you. You may be the turning point in changing the life of a family in your own neighboring community.*

Please drop off suits at, 300 N. Martingale, #450, Schaumburg, IL, between normal business hours. Or call us for further details on sponsorship 1-847-619-1600

Respectfully,

Ingrid J. Moore  
President/Owner
